Closure of Integrity Committee Case 25-0008

Dear Matthew Roberts:

The Integrity Committee (IC) of the Council of the Inspectors General on Integrity and Efficiency reviewed the allegations you submitted on October 22, 2024, involving Covered Persons in the Central Intelligence Agency Office of Inspector General. We thank you for bringing your allegations to our attention, which we took very seriously.

The IC is charged with receiving, reviewing, and investigating, where appropriate, allegations of misconduct made against Covered Persons: Inspectors General (IG) and designated members of an IG's staff. The IC takes action on allegations of wrongdoing that meet threshold standards involving abuse of authority in the exercise of official duties or while acting under color of office; substantial misconduct, such as gross mismanagement, gross waste of funds, or a substantial violation of law, rule, or regulation; or conduct that undermines the independence or integrity reasonably expected of such persons.

After thoroughly reviewing the allegations and supporting information provided, the IC determined, pursuant to Integrity Committee Policies and Procedures – 2018, paragraph 7.C., to close the matter and take no further action. This determination was made solely pursuant to the IC's authorities and allegation review thresholds;¹ it is not a finding or conclusion that the allegations were substantiated or unsubstantiated and is not binding on any collateral or other proceeding. IC member Thomas A. Monheim was recused from this matter and did not participate in the IC's deliberations. Thank you for submitting this matter to the IC.

Sincerely,

Kimberly A. Howell
Chairperson
Integrity Committee
