Questions
<p>my name is Matthew Roberts and this is not the first time I've reached out for help. I am the victim of a mental invasion program headed by Marc Powell and the rest of the Lackawanna County District Attorney's Office. it's been 3 years where the first 2 years were spent surveilling me and my behavior, but the past 14 months they have been using the technology to torture me 24/7. they only have two demands, suicide or i enter rehab. i haven't been addicted to any drugs for 13 months and quit drinking 4 years ago, i have recently reached out to every local rehab explaining them my situation and none of them have reached out and offered my salvation. i have been to the psych hospital 5 times seeking relief and have attempted suicide once. i don't know why they can't stop or why you can't stop them. please help. i don't know what else to do besides seek out a lawyer that can help me bring a case against them.</p> <p>please advise me on how to proceed.</p> <p>5757700716</p> <p>124 7th ave</p> <p>Carbondale PA 18407</p> <p>i am a good man. i am 39yrs old and never have even been on probation. i am a good person with a good family. this madness needs to end. please help.</p>
