I've got insider whistleblower knowledge of the Lackawanna County District Attorney's Office operating an illegal CIA backed psychological warfare torture operation (psyop) against an innocent citizen for the last 30 months. Leads of the psyop are Mark Powell and Chris Kolcharno and some of the cops and detective operators are Jason, Brian, Jeff, and detective Jordan. They have weaponized the 2 way communication ability of CIA National Resources surveillance equipment to target their victim with directed audio mimicking mental illness to hide the exposure of the psyop. I have a 10 page affidavit that is full of shocking evidence and is not frivolous. I don't care if anyone gets in trouble for this, it just needs to end now. 30 months is a long time to suffer 24/7 psychological torture openly telling them to commit suicide repeatedly. Someone needs to get a hold of me asap before I take this knowledge and use to also expose the entire targeted individual conspiracy.
