

Cease and Desist Notice

This letter serves as formal notice and demand that you immediately cease and desist all unwarranted, unauthorized surveillance, and any actions constituting neural rights violations, psychotronic abuse, harassment, and torture directed towards me.

Your actions constitute clear violations of multiple legal protections, including:

- **The Universal Declaration of Human Rights (Articles 3, 5, and 12):** Guaranteeing the right to security, protection from degrading treatment, and privacy.
- **The International Covenant on Civil and Political Rights (Article 7):** Prohibiting torture or inhumane treatment.
- **The U.S. Constitution, Fourth Amendment:** Protecting against unreasonable searches and seizures.
- **Title 18, U.S. Code, Section 241:** Prohibiting conspiracies to deprive individuals of their rights.
- **Title 45 CFR Part 46:** Regulations protecting human subjects from unethical research practices.

You are further reminded that under international and national legal frameworks, non-consensual involvement in experimental research programs violates both ethical and legal standards and must cease immediately.

Demands:

1. Immediately cease all surveillance and harassment activities targeting me, including but not limited to psychotronic technologies, directed energy, or neural monitoring practices.
2. Provide written confirmation of the cessation of all activities.
3. Remove all collected data pertaining to me from your systems and confirm its destruction.

Opt-Out Clause for Human Subject Research:

If these actions are being conducted under the guise of human subject research, this letter constitutes my formal withdrawal of any implied consent. I do not and never have consented to participation in any such program.

Failure to comply with these demands will result in my pursuit of all available legal remedies, including contacting oversight authorities, initiating legal actions, and sharing evidence of misconduct with relevant advocacy and media organizations.

I expect a written acknowledgment of this notice and your intent to comply within **14 days** of receipt. Failure to do so will be regarded as an admission of continued violations.

Sincerely,
